

1. Main Parameter :

Model:	GT1B5
Max sheet thickness:	0.4mm
Max sheet width:	1050mm
Min sheet width	44mm
Motor power:	1.1kw
Net weight:	1400kgs
Dimension:	1500x1600x1105mm

2. Machine features :

1). Motor: Joint Venture Brand Siemens-Beide(Siemens Standard Motors Ltd.)
;

Electric Parts: Schneider

2). The machine is with high cutting accuracy and good efficiency.
It is easy and convenient to adjust the knives.

3). The knives adopt high-alloy steel material: **Cr12MoV**

And our machine is with a **grinding machine** for knife grinding.

3. Main parts material or brand of Tinplate Metal Sheet Gang Slitter Machine :

Material of Knife: **Cr12MoV**

Electric parts brand: **Schneider**

Motor brand: **Siemens** (joint venture)
